Interactive Mystery Program Kits & Contents

Anyone’s Guess Mystery Kits are designed as interactive programs for students in grades 3-5 or grades 6+. The kits allow for players to learn about the suspects, review the evidence, and then individually solve the mystery.

Each kit is available for loan to member libraries for a period of 3 weeks. Bookings are filled on a “first come/first serve” basis.

Use and Care
The pieces in the kits must be handled with care. Each original document must be photocopied for use during the program. For this reason, you are asked to NOT ALLOW CHILDREN TO PLAY WITH THE ORIGINAL DOCUMENTS FROM THE KITS, unless such activity is called for in the kit.
